ABOUT US

Cartzilla was created by founders Kurt Osburn and Simoa Nordhof, two innovators who wanted to give Las Vegas an **attraction unlike anything the city had ever seen.** Their vision resulted in a giant, street legal, motorized shopping cart designed to deliver high energy, music-filled tours through the Entertainment Capital of the World. After 2 years of development and nearly 2 full years of operation, Cartzilla has **exploded in popularity and become one of Las Vegas' most exciting and talked about experiences.** With demand growing rapidly, Cartzilla is now **expanding to other major cities** so people everywhere can enjoy the thrill.
